*Abhishek Singh*

Date: .....

*14/8/2016*

<sup>1</sup> **Public Official** means anyone working:  
 (a) in a legislative, administrative or judicial position (in any part of the world);  
 For or on behalf of a government-owned or –controlled entity or agency;  
 (b) For or on behalf of a political party, party official and/or political candidate; or  
 (c) For or on behalf of a public international organization whose members are either (i) countries or territories; (iii) governments of countries or territories; or (ii) other public international organisations.  
 This definition may include consultants who hold government positions, employees of companies owned or controlled by governments, political party officials and others, or employees retained by government agencies.  
 This term also covers immediate family members (parent, spouse, child, in-law, sibling), and anyone else to whom the Public Official provides material support.

For internal use only
